Radica Golden Tee Trackball Hack - benheck.com Forums

These Golden Tee trackballs are only around \$17 now. Excellent. I was wondering if you'd considered using something like damn small linux installed on a USB key to hack the Golden Tee track ball into a near-true standalone gaming system. Sure, it would still require a computer to plug in to, but that's ok.

Golden Tee Fan » Backspin, roll and bite Features Using backspin ...

Another problem that afflicts Golden Tee beginners and some amateurs is the overuse of backspin. These guys will take away any chance they have of getting close to a back pin by landing in the middle of the green with backspin, or they will spin a shot back off the front of the green by attacking a middle flag with backspin and coming up short.
