Breach, Season 1, Episode 4 - Which Russia Hack? Part 1

In this episode of Breach, we attempt to connect the dots between the Yahoo security breach, the DNC hack and efforts to undermine the U.S. presidential election on social media. And while we didn't find evidence of a direct link, it's clear that all three can be connected to the larger Russian cybersecurity playbook.

/hack - Forward Slash - Omny.fm

Forward Slash. /hack. 00:00 / 25:14. /hack. Description. The group of parties who have benefited from 2020 is an extremely exclusive club. But one clear standout has been the hackers making hay in a global crisis. Experts say they've never seen a widespread cybersecurity campaign like the one unleashed this year.
