Cafe logos often contain symbols like a cup, glass, or bar utensils. It's fine to integrate these symbols, but you always want to put your unique spin on them to keep your logo from looking generic. Should my restaurant logo have a slogan? Yes, it's preferred. Slogans, some commonly referred to as a tag line, are widely used in conjunction with a symbol to get your message across. Utilize a maximum of seven ...

Relatively easier to hack. I just hope they still have the order history page on their website. Yayyyyyy, they have a fully functional website. I thought they had gone completely mobile. Well, good for me. They even have the order history page. I'm in tears right now. Dev tears :) Let's pop out chrome Dev Tools and look at some network requests, shall we? Order list response. GET request headers . Oh, ...
