PES Club manager is a football simulator from the Japanese company KONAMI, which presented the world with some interesting games. The game differs from other simulators in the construction of the city, where each building gives a certain bonus to the team. On the one hand, it got boring in other mobile games, but still it is some kind of alternative to endless matches. For example, entertainment facilities ...

There is a limit break option in PES Club Manager that increases the maximum possible value of a player’s stats by 2. Unfortunately, you can only limit break players that are of 6-7 star rating. Limit break coaches can be obtained from rewards or by converting 6-7 star players in your scouting list. Take a look at David Beckham below. I had performed a limit break on him twice, which raised his ...

In my Beginner’s guide to PES Club Manager, I mentioned in the final post that I have not played in the Survival League yet. But recently on 20 th March, the Survival League event dropped by again, and will end on 10 th April. Since this event does not come by regularly, I took the opportunity to play this game mode for the first time. Overall, I feel that online cups is still harder than the Survival ...
