Re: Final Fantasy XV. Edit: Actually I think I know how I can find it by making 14 999 potency Thunder spells with SW and then lots of fires and sorting it to bump the Thunders down the list to later slots and searching E703. That would also give me the addresses, so I can just make a bunch of 99 Quantity, 99 Level, 999 Potency spells as quick ...

25 Hidden Things In Final Fantasy XV Only Super Fans Found

Final Fantasy XV: one of the greatest games to come out of what I like to refer to as the "new era" of the Final Fantasy franchise. Final Fantasy X marked new territory for Square Enix when we finally saw what some (really) updated graphics and voice acting could do to make a storyline feel incredibly realistic. Since the days of that horrid laugh, Square Enix completely revolutionized the RPG ...

For newcomers to the series, Final Fantasy XV is a perfect starting point. The combat doesn't require as much strategy as the older turn-based entries in the series, instead opting for a more hack-and-slash approach. It plays quick and smooth with different weapons for different playstyles.
