Big thanks to everyone who helped make January a successful month.

Attendance at our events was about average, so I'd like to stress to everyone to please come out and support your Legion. We will be trying new things in the coming months, in addition to what we normally do to see if we can garner more support. Keep an eye on the calendar and the Facebook page for updates.

We now have a stocked military history library with shelves! Books are free for members and families to borrow. There is a sign out book nearby to track. Please be courteous to all and sign books out and return them in a reasonable time. Big thanks to Mr. Mike Gintic for donating the books and Bill Warriner for building the shelves.

Slowly, but surely, our Scouts have made progress on the trash bin. It now has front framework and a back is much sturdier for it. Next tasks are doors and roof, which they will be working on over the next couple of months.

Finally, be on the lookout for our new website: post293fl.org. It is currently under construction, but will eventually house all our calendars, event flyers, newsletters, membership information, and more. Bookmark it and check it often!

NEW BUSINESS

This month we will honor the Four Chaplains with a ceremony during our General Dinner Meeting on February 18. Please come to honor the memories of these great men.

New things are happening, too. We're trying our hand at a Super Bowl party! Come watch the game with us and eat some game day food and enjoy the camaraderie.

In March, at the General Dinner Meeting we will conduct Post Everlasting for COL Alice Delgado. Please make every effort to attend this event.

Coming up in April is our Spring Flea Market. Mark your calendars and plan on spending some dough on our local community vendors. This time we'll have a Chili Cookoff competition during the event, so bring your appetites, too!

We still need members for the Post Rifle Squad. If you can join and be available as needed, please contact Sheila Hawkins.
