

Post News

Another successful and productive month is behind us.

Elections were held, money was raised, the stove was maintained and the fire suppression system was repaired and recharged, as were our fire extinguishers.

The stove, however, is aging, so the Executive Committee is looking into replacing it. Keep an eye out for a fundraiser specifically targeting this project in the future.

Speaking of fundraisers, the Flea Market was a great success. More on that later. Thanks to everyone who made the event possible.

The Dinner Dance also continued its successful trend from last month with a great turn out from the community. We'd love to see you join the fun!

Finally, the Post is participating in the Palatka Memorial Day Parade. It is our duty to honor our fallen comrades. We hope for a large turn out.

COMMUNITY FLEA MARKET REPORT

The Semi-Annual Flea Market was a great success. A BIG thanks to all the members and the community who came out to support this event in whatever way they could.

The proceeds of this event went to purchase materials for the Post to replace the deteriorating road sign.

This is such an overwhelmingly popular event, that we are often asked "When is the next one?" or "Can you do this every month?". While the idea is tempting, the event takes a good deal of effort to coordinate successfully and we fear it will become mundane if we hold it too frequently.

Therefore, mark your calendars, as the next one is set for September 10th. We'll continue to hold it alongside the BSA Car Wash and invite the Blood Mobile back (Who were very pleased with the 15 donors they recieved, including 2 Double Red!).

Thanks again to all who supported the event!

MORE TO COME

This newsletter is growing and will improve over time, but I need everyone's assistance. If you have anything to add or mention, please let me know no later than 1 week following the general meeting!

There will be more in the next Newsletter as I learn the ropes and get more input.

Thanks for your patience.
