## COMMANDER'S CORNER

We are all thankful that our commander, Don Hartsfield, was released from the hospital and is at home recovering from his heart attack.

We ask for your continued prayers for his speedy recovery and for Regina, as well.

Both our dinner dance and breakfast in April did well. The Dinner Dance, in particular had a surge in attendance and we hope to continue that trend moving forward. Please attend the next one, if you can!

Also, Paul Warring and CJ Myers have started a Dungeons and Dragons group that meets Friday nights. It has already recruited a new member!

Thanks to all of the membership for making this possible and helping grow the post.

## BSA UPDATE

BSA Troop 493 continues to work toward improving their scout skills and the Post.

They have broken down quite a few pallets to collect enough materials to build the trash bin, as requested.

They have also helped by cleaning the post and the driveway, weeding the memorial bricks, picking up around the yard, and assisting at the Breakfast.

Please support them at their next Car Wash on May 14.

## MORE TO COME

This newsletter is growing and will improve over time, but I need everyone's assistance. If you have anything to add or mention, please let me know no later than 1 week following the general meeting!

There will be more in the next Newsletter as I learn the ropes and get more input. Thanks for your patience.
