Commander's Corner

Fall is here. And with it comes the spooky season! We've got tons planned for this month, not the least of which is our Pumpkin Patch.

We need all hands on deck for this event! Pumpkins are due to arrive on the 14th, though as we learned last year, that may not be written in stone so we may need to be flexible until they are here. Please try to keep your calendars open to assist in any way that you can. You can sign up for a shift or four at the link I will provide in the Newsletter email.

This should be an awesome event for us and for our community. Let's do our best to make it a tremendous success.

Overall, we had a great September! All of our normal events were bursting at the seams with participants and help. Breakfast was especially busy! We look forward to the continued growth and thank our new members and our new church friends for boosting our attendance and support!

We did have an unfortunate incident in September where a couple of windows were broken by some local vandals. The police were informed and have stepped up patrols of our property. Windows have been boarded up and await repair.

Despite this, here's to looking forward to a fantastic month!

NEW BUSINESS

The Post continues to need funds, so there are lots of upcoming plans to help pay for our expenses, in addition to our normal monthly events.

The post now can accept Cash App and Credit Card payments via Square, to provide more payment flexibility for events and fees to our members and guests.

The Post is continuing to organize a fall golf tournament fundraiser. It is scheduled for December 2. We need sponsors and players to sign up and volunteers to help organize are always welcome. Also, let us know of any local businesses that may be interested in sponsoring the event. Contact Sam Walker or Cynthia Lester for more information.

Please contact CJ Myers for questions about or to volunteer for the Pumpkin Patch.

Finally, share your ideas for fundraising and events at a meeting or with an officer. We want to get more involved and do more things to support our Vets and our community.

Paul and some of our new friends!

If you have anything to add or mention, please let me know no later than 1 week following the general meeting!
